

TERRATURF®

TERRATURF® is the latest generation of high quality products from Terraplas Plc., the *world's leader in turf protection products since 1991*. Ask for Terraplas® products by name and do not accept products from companies that say they are “as good as Terraplas”, just buy Terraplas for yourself.

TERRATURF® has unique overlapping edges to prevent the passing of non-desirable liquids and rubbish onto the turf; whether natural or

TERRATURF® tiles ‘snap’ together quickly and easily without using any specialized equipment.
